

Protected health information may include medical and demographic information that related to services you receive with Functional Solutions Therapy, LLC. Demographic information may include your name, address, phone number, specific identification numbers. Protected health information contains information that identifies a person and is created or received by a health care provider, health plan, employer, or health care clearinghouse. Your personal information is held in our secure client portal and only shared with your consent to medical providers related to your care, Early Steps team members related to your services and with insurance providers who require claims submission for services to cover your care.

Health care professionals use medical information in the clinics or hospital to take care of you. You will be notified and asked for consent prior to sharing any personal health information. Review more of our privacy practices and HIPAA compliance precautions in your intake paperwork. Contact us if you have any questions regarding your personal information.
